Hi to all members,

News of the month is rain ,rain and more bloody rain#####.

Congratulations goes to all members that traveled to Toowoomba, Chinchilla and finally Tamworth to the National Finals.

First of all Area 5 high points our club members came home with a share of the buckles and Runner up Jackets to all of you thanks for doing a great job for the club as Area 5 covers a large area and a lot of cutters. I was going to list you all but the list just went on and on. So hands to-gether you all did us proud.

Tamworth and the National Finals once again our members competed and also members horses in the hands of trainers did a great job, so good on you all.

I guess everyone was a little bit disappointed that the Killarney Show had to be postponed but we are trying really hard to book another show hopefully in June/July. Our next newsletter should be able to confirm this.

Another reminder renew those memberships we are all excited about were our club is heading this year. ( I know that is, if it stops raining.)

Just a quick touch on the Woodenbong show we are really lucky to have these grounds made available to us, but in saying this a lot of work will need to be done to get the grounds ready for this to happen so a working bee will be put in place closer to the date and I will let you know of a date closer to the time.

It is nice to be important, but important to be nice.

Thanks Janet.
