

## HOWDY CUTTERS,

Well, what an up and down month it has been for the Club. On the upside the response to our Practice/Mock Show, and Killarney Cutting with entries was fantastic. On the down side the weather that saw us having to postpone both events was a real bummer. Thanks to the team of Kat, Janet, and Kim for helping with all the phone calls /emails involved with both these non events.

It was encouraging to see a good role up at the March meeting, to discuss our upcoming shows. We will be needing a Treasurer to take over from Kat, as the 3 roles she has taken on for the club as well as her uni studies and full time work , are proving to be too much for one person. Please put your thoughts into maybe taking on this role and spreading the workload amongst the membership. Thank you Kat for the huge efforts you have made for the club and continuing with the Secretary /Show secretary position.

Killarney's new date is still to be confirmed but looks like being mid to end of June, between the Tamworth and Toowoomba futurities.

We still have some Killarney cattle available to access for a **Pre-works** {futuraity horses} / **Practice Runs** {practice will be for financial NRCHC members only} at **KILLARNEY** and this will be held on the **5<sup>th</sup> / 6<sup>th</sup> April Easter Monday & the Tuesday**. This will be \$55.00 per horse/rider for 5 mins/3head cattle. This will be limited numbers so book early to avoid disappointment. Please book with Me [Julie] **before 28/3/10**. So looking forward to seeing the baby horses developments, and catching up with you all. Lets hope this one doesn't see the drought break again.

Don't forget Bonalbo Show on the 24<sup>th</sup> April. [Many hands/helpers make light work]. And don't forget those bring along those help horses.

Happy cutting,

Julie Wadsworth  
NRCHC President
