

PRESIDENTS REPORT JULY 2010

HI ALL,

Well our 2 local futurities, Toowoomba and Goondiwindi, are over again for another year, so time to get serious about starting next year's futurity, derby, and classic horse 's pre-working and showing out and about.

Our club practice weekend at Bangalow. 31st July and 1st August, is a great place to start. Plenty of fresh cattle and beautiful surroundings are just the way to get you keen. It's also your horse birthday, so come out and party.

It will be a good opportunity to practice NSW war cries, and team strategies before the upcoming, State of Origin cutting at Boonah being run by SQCHC, 14th/15th August. [Our turn to run it next year put your thinking caps on, for ideas, so we can make it a humdinger of a show]

We have listened to your requests for increased prize-money at shows and have Added money for the upcoming Bonalbo and Woodenbong shows, so please support these shows with entries to make it worthwhile or it won't be possible to continue with this plan.

So looking forward to seeing as many of you as possible at Club events.

Happy trails

Cheers

Julie Wadsworth
