

September Presidents Report 2010.

Hi Everyone,

It is very encouraging to know that some of you actually take the time to read these reports.

And I would like to thank the riders who brought help horses to the recent Bonalbo show. But what a shame that they didn't get used!!!!!!!

Horses and riders were offered , very few of you took up the offer, even when asked. What a Shame!!!

So let's try again.

Please bring along a help horse. Please **ASK** your help, don't just ride in and expect who is there to stay. If you are in the arena helping and haven't been asked by the next rider to stay, then ride out, then maybe someone will look around and see that there are others who can take your place. And be very appreciative of the people who do bring an extra horse if you can't fit one on your float. Start a trend, you never know it just might catch on!!!!

Woodenbong will be our last show for this year, and it seems to be shaping up nicely as this is going to print, [Please stay away rain!!!] Last chance for Club Hi point buckle earnings.

Our Casino show date is now going to be a School with Ben Royal our instructor, at Coraki. 16th October. So those members who aren't heading down to Armidale showing, we have 10 places available, so book quick.

Then its hullo! Christmas party.

Put November 27th in your diary.

Janet will give you all the details for the where and how of the party.

First show for the NRCHC next year will be **Killarney 12/13 MARCH, 2011.** [its a misprint in the chatter]. We want feedback from you all how you would like to show to run, don't wait till you get there to complain, and don't wait till it's too late make the plans happen, speak up now or forever hold you peace.

That's all for now folks, see you all soon I hope

Cheers , Julie Wadsworth NRCHC President.
